# SRN RESEARCH PILOT PROJECT GRANTS

## APPLICATION FORM

For more information regarding the process, please refer to the SRN Pilot Project Guidelines document.

CONTACT: [pilot@srn.org.au](mailto:pilot@srn.org.au)

### 1 Project Overview

PROJECT TITLE	
LEAD UNIVERSITY	
PARTNER INSTITUTIONS	
CHIEF INVESTIGATOR(S)	
CONTACT EMAIL	
PHONE	
CONTACT FOR CONTRACTING	

#### PROJECT DATES

START DATE:	
END DATE:	
PROJECT DURATION (12 MONTHS)	

#### PROJECT CONTRIBUTION (as per budget)

SRN CASH (\$)	
IN-KIND (\$)	
PARTNER CASH (\$)	

#### KEYWORDS

--

#### 1.1 Project Participants, Project Shares

PARTICIPANT	E-MAIL	IP (Y/N)	INDICATIVE IP SHARE (%)
<b>LEAD ORGANISATION:</b>			
<i>Investigator 1</i>			
<i>Investigator 2</i>			
<i>Investigator 3</i>			
<b>COLLABORATING ORGANISATION 1:</b>			
<i>Investigator 1</i>			
<i>Investigator 2</i>			

COLLABORATING ORGANISATION 2:			
Investigator 1			
Investigator 2			

## 1.2 Industry Partner(s) (if applicable)

If an industry partner is part of your project, please provide more details. Add rows if needed.

<b>Name:</b>	Click or tap here to enter text.
<b>ABN number:</b>	Click or tap here to enter text.
<b>Website:</b>	Click or tap here to enter text.
<b>Contact Person:</b>	Click or tap here to enter text.
<b>Email:</b>	Click or tap here to enter text.
<b>Category:</b>	Choose an item.
<b>No of employees:</b>	Click or tap here to enter text.
<b>Annual turnover:</b>	Click or tap here to enter text.
<b>Company's description including profile and product information:</b>	Click or tap here to enter text.

## 2 Proposal Summary

(less than 100 words)

- Provide a brief summary of the proposal, outlining the objectives and significance of the work

Click or tap here to enter text.

### 2.1 Benefit and Impact to Priority Areas

(less than 100 words)

- Which key space sector challenge are you addressing? How will the project contribute to a Space Research / Industry capability or need? Who are the likely or intended end-users or platforms, or what are likely paths to commercialisation and/or further funding?
- Which industry sectors will the project supply to?

Click or tap here to enter text.

## 3 Project Description

### 3.1 Aims and Background

(less than 1 page)

- Briefly outline the aims and background of this Proposal.
- Include information about national/international progress in this field of research and its relationship to this Proposal.
- Refer only to publications or non-traditional equivalents (outputs) that are accessible to the national and international research communities.

Click or tap here to enter text.

### 3.2 Methodology

(less than 2 pages)

- Describe the methodology to be adopted to achieve the project objectives. This should provide enough detail to assess skills, expertise, application and feasibility

Click or tap here to enter text.

### 3.3 Novelty and Potential to Become World-Leading

(less than 1 page)

- Describe the degree of research excellence, making reference to novelty, significance, and ambition

Click or tap here to enter text.

### 3.4 Identified Need in Space

(less than 1 page)

- Describe the potential of the work to satisfy an existing or emerging space capability need or a current / emerging space industry need

Click or tap here to enter text.

### 3.5 Potential for Impact and Implementation Pathway

(less than 1 page)

- Describe the relevance and potential impact of the project for the NSW and broader space sector
- Describe your implementation pathway for the project/ technology to progress to a more mature phase ready for deployment and/or commercialisation

Click or tap here to enter text.

**NSW Space Research Network**

### 3.6 Team Track Record

(less than 1 page)

- Summarise the role, responsibilities and contributions of each Chief Investigator and Partner Investigator and describe how the project will leverage the unique position of the SRN.
- Describe the team's ability to deliver the proposed project, including appropriateness of track record, balance of skills within the project team, and feasibility given requested/available resources
- Include a 2-page CV for each applicant in an Appendix at the back of the proposal

Click or tap here to enter text.

### 3.7 Education/Training Opportunities

(less than 1/2 page)

- Describe how the project will contribute to capacity and capability building in the Australian space industry and related industry and research sectors.

Click or tap here to enter text.

### 3.8 Project Milestones/Outputs

- Provide a brief list of project milestones and anticipated outputs

PROJECT MILESTONES/OUTPUTS	RESPONSIBLE PARTICIPANT	DATE DUE

NSW Space Research Network

## 4 Budget

- SRN can provide up to \$150,000 of the funding. Please refer to Pilot Project Guidelines for more information about eligible and ineligible expenses.

LEAD ORGANISATION:							
SALARY EXPENSES STAFF NAME	DETAILS (Position, Level, Step)	BASE SALARY \$	FTE %	SALARY ON-COST max 30%	TOTAL SALARY \$	IN-KIND/ CASH \$	SRN CASH \$

## NSW Space Research Network

### 4.1 Justification of Funding Requested from the SRN

(less than 1 page)

- Describe how SRN funding will be used.

Click or tap here to enter text.

### 4.2 Details of non-SRN Contributions

(less than 1 page)

- Describe contributions of non-SRN funding to be leveraged by the project, including cash and in-kind contributions.

(Please ensure compliance with Research Pilot Project Guidelines)

### 4.3 Details of Further Funding Opportunities

(less than 1/2 page)

- Detail your plans for extending the project through further funding opportunities and describe how this SRN funding will help position your project to attract additional funds.
- What funding schemes do you plan to target with the project outcomes? (please mark with x)

	ARC Industry Transformation Research Program (ITTC or ITRH)
	Cooperative Research Project (CRC)
	Cooperative Research Centre Projects (CRC-P) Grants
	ARC Discovery Grant
	ARC Linkage Grant
	NHMRC Industry Partnership Project
	Contract research
	Other:

## 5 University Approval

I confirm that I have consulted the SRN coordinator for my university of the submission of this application.

Contact details:

Member	Contact	Email
Australian National University	Chris Kourloufas	christopher.kourloufas@anu.edu.au
Macquarie University	Matt van Breugel	matthew.vanbreugel@mq.edu.au
